Hopper's 4-H Club News

Derek A. Cosner, Reporter

The Hopper's Club meeting was cancelled January 21, 2024 due to heavy snow over the previous week. The Club did meet virtually January 6, 2024 to plan the year ahead.

Some of the exciting things planned are farm tours, a rabbit show, helping with Accident community events, guest speakers, holiday dinners, District Show, May 11, 2024, and the 67th Garrett County Agricultural Fair July 27-August 3, 2024.

We welcome our new Secretary Jacob Vose and wish him well! If record books and livestock contracts have not been turned in get them to the Extension Office.

The 4-H Achievement Night will be held April 2, 2024 at 2pm at the Ag Hall. We look forward to seeing all our members and 4-H friends. Our next meeting will be held, weather permitting, February 18 at 3pm at the Friendsville Senior Center. We hope you'll HOP HOP HOP on over and join us!
