North Glade 4-H Club News

Madelyn McKnight, Reporter

The North Glade 4H Club held its monthly meeting on June 19th. Vice President Matthew Stoner thanked the families that volunteered at ALL Produce & Greenhouse as a fundraiser for our club back in May. We appreciate the Lantz family for the opportunity for our club. Matthew gave a demonstration on ear notching pigs. He showed us what each notch means and how to read the notches on a pig. He told us the importance of using the notches for identification and record keeping. President Autumn Custer congratulated recent Southern Garrett High School Graduates Wyatt Parks and Dayton Custer. She reminded families of upcoming online entry requirements for the fair, and important dates to remember for meetings prior to the fair. Recently, Deep Creek Docks donated plants, and landscaped around our club building. Thank you for your kindness, and continued commitment and support of our club! During the meeting, special guest speaker Anthony Glotfelty of Anthony's Auction Service spoke to the club on how he became an auctioneer, tips on learning to be an auctioneer, what types of things he auctions off, and different opportunities out there for auctioneers. Thank you Anthony for your time!
