

The **University of Maryland Extension Farm Stress Management Team** provides education and outreach on topics related to mental and physical wellness for farmers, families, and communities. Specifically, we focus on developing resources to alleviate stressors driven by financial, legal, or mental health issues.

### The Program's Goals

Raise Awareness • Provide Training • Create and Share Resources

### The Program's Three Core Principles

#### Observe

##### *What do you see?*

Physical and Mental  
Emotional and  
Behavioral  
Social and Relational

#### Engage

##### *How do you respond?*

Validate Feelings  
Show Empathy  
Offer Support

#### Share

##### *Where are the resources?*

Referral Resources  
Financial Resources  
Legal Resources
